YangJiang NanXin Industrial Co., Ltd. Brief Introduction

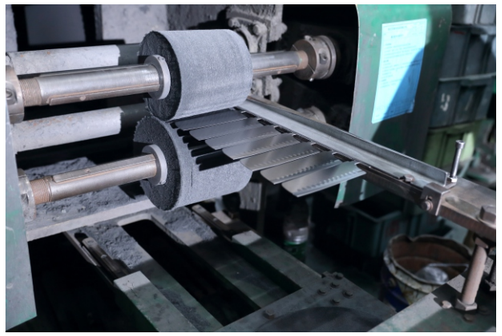

YangJiang NanXin Industrial Co., Ltd.,established in 2001,has become a large enterprise specialized in producing kitchen knife and utensils,scissors and BBQ tools. Our business is the collection of research &development, production, sales and service. There would be one big manufacturing base, located in Yangjiang City, the famous city as the centre of Knife& Scissors in China and the total factory area covers 100,000m^3 while 70,000m^3 for workshops. We have more than 8,00 staff ,including 100 highly educated talents. Thanks to all these years’ effoct in product design innovation, high quality controlling and competitive price,our gross value of production has reached up to 300million RMB in 2021.

For the production supply chains, we have strong and stable cooperative business relationship with more than 100 outsource manufacturing venders for accessories and for the international trade business, we build up fabulous partnership with oversea clients, such as US, Europe, HK, Southeast Asia and so on. In the core of advanced technology, professional service, reputable business credit and high quality, we would keep to pay great effort to meet the higher standard by new innovation of technology and equipment, service and products.
